We Provide **No.1** Education Facilities
in the Campus.

Experienced & learned teachers are strongly encouraged to nurture the students. The campus has a cosmopolitan atmosphere with students from all corners of the globe.

A Word from the *Chairman*

Dear Students

BGC has been established with the aim of providing quality higher education at par with international standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis.

The Campus has a cosmopolitan ambience with students from all corners of the country. Highly Experienced and devoted teachers are strongly encouraged to bring out and to nurture hidden talent of the students. In fact It has become a way of life for us. The highly motivated and hard working youngsters on the campus are constant source of pride with steady steps, we are continuing our march forward.

We look forward to meet you here at BGC

Radhey Sham Singla
Chairman, BGC

A Word from the CEO

Dear Students

BGC is a premier institution of North India. Students from all parts of the country vie with one another to find a seat in this institution. This college works on the principles of corporate world and inculcate ethical and moral values in young mind.

Being well aware of the new challenge & exciting opportunities of a global world for our young learners, the college has initiated programmes in the streams like B.Tech., B.Com., BBA, MBA, B.Sc. (IT), M.Sc. (IT), BCA, ETT & PGDCA.

The college endeavors to provide excellent learner and friendly environment to its students so as to enable them to pursue their goal in academics, cultural and sports with zeal and determination. We always try to make sincere efforts to provide our students with the best possible infrastructure and other facilities.

As a CEO of this premier institution, It is my wish for our students that after passing through this crucial stage, they should be fully equipped for all the challenges and opportunities offered by the corporate world. We must remember that we can achieve this excellence through hard work, discipline and dedication.

I am sure when you join this Campus, you will become a part of the glorious tradition, growth & excellence.

GOD BLESS YOU

Rajesh K. Garg
B.Com., MBA, FCMA
C.E.O/Secretary, BGC

A Word from the TREASURER TRUST

Dear Students

Bharat Group of Colleges a pioneer institute of education for professional & non-professional courses in the field of Science, Engineering, Education and Management has carved a niche as none of the best groups of educational institutions in the country.

The BGC aims at providing quality education to younger generation in various disciplines of academics with a unique right approach where they can make careers and emerge as good citizens of the Nation. It has a peculiar combination of academic discipline imbibing the holistic approach for the youth to grow in their respective areas of interest and expertise under single umbrella of BGC. At present, BGC has diverse colleges providing degree level education in engineering. The business Management, education engineering has its post-graduate level degree. In the attempt to 360 degree sync in education field BGC runs Schools also. It aims to instill among students an inquisitive aptitude, a competitive spirit and edge, develop technical acumen, personal skill, and an instinct necessary for a citizen of India vis-à-vis enhancement in their employment potential.

The prospective students and their parents are welcome to visit BGC and check a state of the art campus fascinating upcoming brains.

Pram Nath Jain

A Word from the EXECUTIVE MEMBER

Dear Admission Seeker

Today, when you are flipping through the Admission Brochure of Bharat Group of Colleges, Sardulgarh, you have definitely done your homework. It is very difficult to decide today which course/ college to choose from amongst many options which are available. When you choose a new course and college for seeking admission, you are pulling your future prospects of the entire life career in its hand. I welcome you to BGC and assure you that you are making a right choice to seek admission here. BGC is spread over an area of 13 acres offering serene, lush green and scenic surroundings and conducive academic environment. I would like to stress at this stage that you should be aware about the take away from the BGC when you or your ward passes out. Alongwith university Degree which you get, there must be appreciable change in your knowledge, skills, attitude and behaviour as compared to the same parameters, when you had entered.

College life is different and much more enchanting than school life which is more controlled. At BGC you will have options to pursue your passion and hobbies by participating in activities of various clubs and societies apart from your normal studies. Your objective should be to come out as a complete human being and a globally competent professional. BGC shall ensure that you meet these objectives if you show your commitment.

Bhim Sain Jain
Executive Member

A Word from the EXECUTIVE MEMBER

Dear Students,

Welcome to Bharat Group of Colleges.

A humble beginning made 8 years ago by establishing Bharat Group of Colleges have blossomed into an innovative, dynamic and vibrant campus offering a wide range of graduate and post graduate professional/ non-professional courses. We are committed to provide the best of infrastructure, most relevant curriculum, state of the art teaching pedagogy, competent and committed faculty, enthusiastic staff and an academic environment in which every student will be able to realize his dreams of transforming himself into a global professional.

The BGC education involves exposure to concepts, skills and knowledge in the form of value addition to the system fortified with the moral values & ethics to develop technical manpower as world class citizens. Value based education here imparts ability & capacity in the trained youth to become entrepreneurs who are equipped as job providers rather than job seekers.

The economic and societal growth of a Nation depends to a large extent on the scientific and technological development of the country, for which the educational institution has a great role to play to produce knowledgeable, innovative & research oriented Human Resources. We at BGC are aware of our responsibility and are committed to provide the best of infrastructure & teaching learning environment in our campus, so that the professionals who pass out from this College possess the desired skills and competencies to face the challenges of corporate world and contribute significantly to the economic development of the country & to the welfare of the Society.

Kewal Chand Jain
Executive Member

A Word from the DIRECTOR PRINCIPAL

Dear Students,

Welcome to Bharat Group of Colleges.

Bharat Group of Colleges campus was established in 2009 to impart value based career-oriented technical and professional education. Over the years, it has emerged as a leading educational centre widely recognized for its modern infrastructure, vibrant campus, academic excellence and placements. BGC is a place where knowledge is imparted and acquired, contested and created. It is also a place where we instill value in our youth and offer space for full expression of human creativity and intellectual Endeavour. Our academic programmes are based on twin pillars of excellence & access.

We strive to impart education for harmonious development of the total individuals as a global citizen. Our aim is to integrate science, technology and human spirit in our instructional program so as to produce graduates who are happy embodiment of modern science & technology and India's distilled wisdom. It is, therefore, not without reason that our students are rated highly in the employment market.

We believe in nothing short of perfection and excellence. All the institutes have been approved by respective government councils and are affiliated to MRSPTU, Bathinda. Highly experienced and competent faculty, student-oriented pedagogy, strong practical inputs, regular national conferences, personality development programs, language laboratories, industry interactions and frequent campus placement distinguish us from the rest. And above all, it is a ragging-free, alcohol free and pollution free campus.

Dr. Gurcharan Dass
Director-Principal

Vision

To develop human resources with high employability skills to meet the challenges of rapidly growing technical advancements and to minimize the gap between education and industry by providing world class technical education.

Mission

Bharat Group of Colleges shall be an innovative, entrepreneurial & empowered team, constantly creating values and attaining global benchmarks. It shall foster a culture of continuous learning while meeting expectations of students, parents and society.

Quality Policy

We at BGC aspire to establish a system of quality assurance, which would on continual basis, evaluate the training imparted at the institute, improve the teaching-learning processes and ultimately develop the institute as a Centre of Excellence.

About Us

Bharat Group of Colleges, Sardulgarh was established in 2009. Present group consists of 4 colleges, one school, having more than 80 faculty members and 1000 students from all parts of India.

The Group is headed by Mr. Radhey Shyam Singla as the Chairman supported by Mr. Rajesh Garg, Group CEO, educational administration and other professionals with vast industrial and academic experience.

BGC has group of experienced and dedicated Administrative, faculty office blocks, fully equipped classrooms, computer labs, library, conference halls, residential accommodation for students and staff, Bank facilities etc. The biggest strength of the college is the renowned faculty members having distinguished academic achievements in different areas of management and the related basic disciplines. In order to have progressive outlook and to introduce innovative teaching-learning process, the faculty plans to carryout consultancy assignments to keep in touch with the real life management problems in public and private corporations, financial institutes, govt. and international Agencies. BGC offers B.Tech., B.Com., BBA, MBA, B.Sc.(IT), M.Sc.(IT), BCA, ETT, PGDCA and +1, +2 (Medical. & Non. Medical)

BHARAT

Group of Colleges

GOVERNING BOARD

Governing board consists of Industrialists, Educationists & Civil Servants. The objective of the board is to achieve excellence through quality Education.

BGC has forged linkages with top notch multinational corporations & premium international industries and enjoys excellent placement record with more than 60 campus placement events taking place in an academic year.

Mr. Darshan Garg

BGC encourages students to pursue cross discipline studies and broaden their prospective through participation in community forums and gain holistic education. I believe to create & inspire tomorrow's leaders. Once you are here, you will too.

Mr. Bhushan Jain

BGC commitment to our students doesn't stop at the classroom door, nor does it end when they graduate. Our culture is collegial because our students are partners in the learning process.

Mr. Brish Bhan

BGC culture also underlines our student's interactions with each other, which gladly make themselves available as guest speakers, net working contacts and sources of inspiration and guidance.

Mr. Purshotam Dass

BGC annual events, fests, national & international seminars stimulates the academic quest as well imbibes cross cultural integration for academic excellence. We invite you to join this excellent college for a glorious rewarding career.

Mrs. Ekta Garg

Shifting Gears

The career advancement services at BGC facilitates excellent placements as well as dramatic career shifts. A team of dedicated & trained professionals provides career counselling and information services & conducts skill development workshops for all students.

BGC attracts some of the best recruiters in the world. The career advancement services team facilitates the placements & career shifts.

Current, Global and Cutting-edge

BGC curriculum is based on a blend of cutting-edge research, global best-practices and an understanding of local realities, for knowledge of the new emerging economies of the world. It is reviewed and upgraded every year for its theoretical intensity and practical relevance.

Vibrant, Inspiring & World-Class

BGC offers an ideal learning environment. Completely wi-fi enabled campus has state-of-art lecture rooms, an excellent library, video conferencing etc.

Knowledge is Power

BGC emphasizes that any battles won or lost on the extent of information available on either side. Intelligence is perhaps the earliest form of knowledge management in defence. Peter Drucker supports "Information only becomes knowledge in the hands of someone who knows what to do with it. It is a kind of internalizing process that convert information to knowledge".

The Way Forward

Our aim is to provide students all the kind of aids and inputs required for enlightening mental facilities. We believe in the virtues of analytical learning techniques, which can boost performance level to the novel heights.

BGC is leading the Education Training Revolution. Our current goals are to provide support and services for quality education seekers all over India. We aim to emerge as an authoritative entity for developing high quality education.

*Communication is the
secret of strength*

Student Services @ BGC

BGC not only offers cutting edge facilities and resources to help you excel in your studies, we also provide a wide range of student support services and an exceptional staff to student ratio, ensuring all our students receive the attention they deserve.

Academic Expectations and Learning Styles

You may find that learning styles and study methods are different in BGC. For example, the number of contact hours, the student-teacher relationship or the method of assessment might differ from others. To find out more about what to expect from BGC study experiences, visit: www.bgc.edu.in

Academic Skills Assistance

Students at BGC are able to gain assistance with the development of their academic skills through individual consultants, small-group workshops and online resources. The Academic skills Unit helps students to adapt the new learning environment.

For further information, visit: www.bgc.edu.in

IT Services and Resources

BGC has computer services to support teaching and research activities, including on-campus networking facilities for internal, national & international electronic communication. Our computing facilities are kept up-to-date by regular refurbishment and forms of training and support are provided to ensure that you can make the most of the service.

Once you have enrolled at BGC, you will be provided a web account at college website. In this account many facilities are provided to the students and parents.

Careers and Environment Service

BGC career advisers can assist you to explore possible further studies and career outcomes, and provide programs to help developing good employment seeking skills. They offer information and assistance with:

- career planning
- Preparing resumes and letters of application
- interview and job seeking skills

Counseling Service

Counselling is a process of talking and listening which may help to creatively resolve problems. You may wish to discuss issues such as: transition to life in BGC; concern about study-related issues; relationship difficulties; questions of identity and self-esteem; depression and anxiety.

Counsellors are available, by appointment, to help students deal with any problem they might have, whether large or small. The counsellors also run a variety of groups during the academic year, which are advertised around the campuses.

Facilities @ Bharat Group of Colleges
